1. Background Information

About the school

- 1.1 Donhead School is a non-selective independent school for male pupils. It was established in 1933 by the Rector of Wimbledon College as a preparatory school for the College. The school operates as a charitable trust under the trusteeship of the British Province of the Society of Jesus, with a governing body which acts as agents for the trustees. Since the previous inspection, a new headmaster has been appointed, joining the school in September 2017, and in 2016, the school completed a ten-year building programme consisting of a new early years centre, air-conditioned classrooms, a chapel, refectory and an auditorium for music and drama.
- 1.2 During the period March to August 2020, the whole school remained open only for children of key workers. During this period of closure the school provided remote learning materials for all pupils.
- 1.3 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on-site to reduce contact within the school setting.
- 1.4 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.5 During the lockdown period of January to March 2021, all pupils other than vulnerable pupils or the children of key workers received remote learning provision at home.
- 1.6 Since 2020, EYFS profiles have not been externally moderated.

What the school seeks to do

- 1.7 The school's mission is founded on the Jesuit vision of education and seeks to develop, through education, young men of conscience, competence, and compassion for the greater glory of God. It aims to enable pupils to gain the skills to become independent, successful, and confident learners, able to cope with and manage future life experiences.

About the pupils

- 1.8 Pupils come from a range of professional and business backgrounds and most live locally. Forty pupils require support for special educational needs and/or disabilities (SEND), of which five have one-to-one support. Five pupils have an educational health care plan (EHCP) and there are sixty-nine pupils who have English as a second language (EAL), ten of whom receive additional support for English. Data used by the school have identified thirty pupils as being more able and these receive personalised teaching.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#), [Early Years Foundation Stage Statutory Framework](#).

COVID-19: Inspection judgements do not cover the period March to August 2020 inclusive.

Key findings

The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014, and relevant requirements of the statutory framework for the Early Years Foundation Stage, and associated requirements and no further action is required as a result of this inspection.

They held discussions with members of staff and with the chair of governors, observed a sample of the extra-curricular activities that occurred during the inspection period, and attended form meetings. Inspectors visited the facilities for the youngest pupils, together with the learning support and educational resource areas. The responses of parents, staff and pupils to pre-inspection questionnaires were analysed, and the inspectors examined curriculum and other documentation made available by the school.
